Daniel,

Last Thursday you were looking for information about assessment activities related to the Gold King Mine. I received the attached engineering review from the On-Scene-Coordinator today. He also mentioned that I should forward to you, Kelcey. Steve Way will be your POC for any questions. Thx.

Richard Braun

Richard,

This report is independent engineering review of the work at the Red and Bonita and conditions. This needs to be shared as needed for mine site review process.

Steve
